

Chaplain II

Wolfson Children's Hospital

Baptist Health is currently looking for a Chaplain for our Spiritual Care department at Wolfson's Children's Hospital. This is a Full-Time Days opportunity and will support Wolfson's Pediatric ICU (PICU) and assist with Pediatric Behavioral Health Purpose and Meaning Support Groups.

The Chaplain will provide pastoral care and counseling, offer religious resources, and support groups for team members, patients, patient's families, hospital staff and physicians by developing efficient follow-up support plans. The chaplain will respond to referrals from nurses, physicians, and local clergy while assisting and collaborating with pastoral care staff, residents, students, and volunteers.

- Master's Degree required
- 1-2 years Ministry Experience
- 4 CPE units required
- Ordained or Licensed Minister
- Board Certified or Eligible for Board Certification
